Attention: Mr. Jean Guy Lafleur

Dear Jean Guy,

I want to take a minute to say "thank you" for two things. First, thank you for the outstanding support your company continues to provide. Whenever pricing or clarification is required, I have learned that all I need do is pick up the telephone and I receive immediate attention. I also appreciate the calls you make just to check in with me.

Second, GemThane Polymer-Protected Wood Siding System is an amazing product and EHL Homes' customers are very pleased with the greater colour selection available and are very happy with the product guarantee. Our installer's find that the installation process is straightforward and with GemThane being based in Bracebridge, the proximity to our various job sites is a distinct advantage.

Thank you again for a wonderful product, backed up by impeccable service. What a winning combination!

Sincerely,
EHL Homes & Management
